Program Description

YMCA Bitty Sports program is a parent-child program designed to assist parents in discovering what sports their child is interested in and to strengthen the relationship between children and parents.

Throughout the program parents have the opportunity to teach and assist their child. The immediate gain is evident-spending time together-but the long-term gains are even more significant. Bitty Sports allows children to develop basic athletic skills, exercise, build relationships, and grasp the concept of working as a team at a young age.
