

My YMCA

(to the tune of "Home on the Range")

My YMCA

Where kids yell "hooray"

Where the teens and the seniors will play

Where often is heard a welcoming word

by the guys who drink coffee all day

My YMCA

California Valley to AG

Where often is told, "You should behold—

What the Y is doing today"

My YMCA

Where children of all ages will play

Where often is heard an encouraging word

that the Y's here day after day

Now give us a hand as we raise a few grand

not just dollars as many have planned

Let's spread the word of all that's occurred

And let your Y-story expand
