CHILD BEHAVIOR

Disciplinary problems may require a time-out period. Parents may be called to pick-up a child who does not behave. A Behavior Contract is the first formal step to help resolve repeated rule violations. The contract involves parents, child, and staff, and requires participation of all three parties. A sample contract is available at your child’s program location. A suspension may be necessary, at the Program Director’s discretion. Upon continuous disciplinary problems, a child may be removed from the program indefinitely. Refunds will not be given for children removed for disciplinary reasons.

ADMINISTERING MEDICATIONS

It is our policy not to administer any substances other than standard “over-the-counter” medications and/or prescription drugs, if supplied by parents, and only with signed Parent Consent for Administration of Medications” form. We will not issue any product that is not in its original container and clearly marked by the manufacturer or pharmacy.

LARGE GROUP FORMAT

I understand that, due to the large group format of our program, the San Luis Obispo County YMCA is unable to provide one-on-one care and makes no claim to do so for any child except on an intermittent basis, at the discretion of program staff. Such instances include: injuries, immediate disciplinary issues, and certain personal care needs customarily provided to all children.

PARENT HANDBOOK

A copy of the Parent Handbook will be available on www.sloymca.org before the first day of the child care program.

DEPARTMENT OF SOCIAL SERVICES

As we are licensed by the Department of Social Services, the Department claims the following:

The Department has the authority to interview children or staff without prior consent.

The licensee shall ensure that provisions are made for private interviews with any children or staff members

The Department has the authority to inspect, audit, and copy child or child care center records upon demand during normal business hours. Records may be removed if necessary for copying. Removal of records shall be subject to the requirements in Sections 101217(c) and 101221(d).

The licensee shall ensure that provisions are made for the examination of all records relating to the operation of the child care center.

The Department has the authority to observe the physical condition of the children, including conditions that could indicate abuse, neglect or inappropriate placement.
