APPLICANT MEDIATION & ARBITRATION AGREEMENT

I acknowledge and understand that SLO County YMCA (the "Company") has a Dispute Resolution Program that requires all disputes to be resolved through its Mutual Mediation & Arbitration Policy ("MMAP"). This requires mandatory, binding arbitration of all disputes, for all employees, regardless of length of service. The MMAP also requires a good-faith effort to resolve disputes through mediation before going to arbitration or other dispute-resolution process.

The MMAP is incorporated by this reference into my application as though set forth here in full. By signing below, I am acknowledging that a copy of the full MMAP will be made available to me by the Company upon request. I further understand that agreement that compliance with the MMAP is a condition of my application for employment and, if employed, will be a condition of my employment.

By applying for a job with the Company, I acknowledge, understand and agree that it is my obligation to comply with the MMAP and to submit to mediation, and if necessary, final and binding arbitration, any and all claims and disputes, whether they exist now or arise in the future, that in any way relate to or arise out of my application for employment, and if employed, my employment or the termination of my employment with the Company, except as otherwise permitted by the MMAP. I also agree that I must first try in good faith to settle any Covered Dispute by mediation before resorting to arbitration or any other dispute resolution procedure.

I understand that, if mediation does not resolve a dispute, then final and binding arbitration will be the sole and exclusive remedy for any such claim or dispute against the Company or any affiliated companies or entities, and all of their owners, employees, officers, directors, agents, successors and assigns. I further understand that, by agreeing to use arbitration to resolve any and all disputes, both the Company and I agree to forego any right we each may have had to a jury trial on issues covered by the MMAP, and forego any right to bring claims on a class or collective basis.

To the extent I wish to assert claims on behalf of a government entity or other party (meaning I am not directly a party) and such representative action involves issues that in any way arise out of or relate to my application for employment and, if hired, my employment, I agree to submit such claims to mediation and, if necessary, arbitration, under the MMAP. This would include, but not be limited to claims brought pursuant to the California's Private Attorney General Act ("PAGA") Labor Code §2698, *et seq.*, or any similar state or federal law, unless resolving such claims through mediation and/or arbitration is specifically prohibited by law. If resolving such claims through mediation and/or arbitration is deemed to be so prohibited, such claims shall be stayed pending the completion of arbitration of any and all other claims being asserted by me or the Company.

I agree that unless the Company and I otherwise agree on a mediator, the mediator will be selected with the assistance of the American Arbitration Association ("AAA"). I also agree that any arbitration will be conducted before an arbitrator chosen by me and the Company in accordance with the AAA's procedures, and will be conducted under the Federal Arbitration Act and the currently applicable procedural rules of the AAA. I acknowledge that the current AAA rules are available for my review at www.adr.org and upon request to the Company.

I acknowledge that in exchange for my agreement to mediate and arbitrate, the Company also agrees to submit all claims and disputes it may have with me to mediation and, if unresolved, to final and binding arbitration. The Company agrees to pay the cost of the mediator for any mediation under the MMAP. The Company further agrees that if I submit a request for binding arbitration, my maximum out-of-pocket expenses for the arbitrator and AAA administrative costs will be an amount equal to the local civil court filing fee and the Company will pay all of the remaining fees and administrative costs of the arbitrator and the AAA. I understand that I will be responsible; however, for my own attorney's fees and the same sort of costs for which I would have been responsible had I gone to court instead of resolving any disputes under the MMAP.

If any provision of the MMAP is found unenforceable, that provision may be severed without affecting this agreement to mediate and arbitrate. I further acknowledge that this mutual obligation to mediate and arbitrate may not be modified or rescinded except by the mutual consent of both me and the Company.
