

May 8, 2018

Dear Y Member:

Thanks to a generous donation from a long-time Y supporter and other capital funding, I am very pleased to let you know that we will begin the first phase of a planned remodel of our facility this summer. When completed, the upgrade will provide better space for fitness, improved ADA access and create an energized, family friendly space for our members.

Some of our planned upgrades include:

- Increased space for fitness equipment and free weights along with lighting upgrades.
- Remodeling of our building entry from the sidewalk and parking lot into the building.
- New landscaping in front, a wider glass door entryway, and a new front desk area.
- Two new family gender-neutral ADA restrooms
- Full ADA building access and improved ADA access inside the facility.
- New interior finishing and interior/exterior paint

You will be able to find out more about the project on our website [www.sloymca.org](http://www.sloymca.org), or check the new monitor in the lobby showing anticipated changes.

Most construction will take place Monday-Friday. During this period, we will need to downsize the amount of fitness equipment available, and limit access times for racquetball/ handball. It is possible that some classes will need to move temporarily, either to the park next door, or to a satellite location. There will be times when access to the parking lot is limited. We will keep you informed weekly of these types of changes.

Our top priority is to ensure that our members, staff and crew are safe during construction. Specific areas will be sealed off from access to construction areas, and there may be occasions when you'll need to enter the building through the rear entrance.

Preparation for construction will start this month with work beginning in June and continuing through the summer. We plan to have the project completed this fall. Be assured we are doing everything possible to make the process as painless as we can. We will update you frequently on progress and about services that will be affected.

It's an exciting time for our Y and we look forward to taking the organization to the next level. The best person to contact if you have questions is our Chief Operating Officer, April Lewallen. You can reach her at [Alewallen@sloymca.org](mailto:Alewallen@sloymca.org) or by calling 805.549.8235.

Please accept my sincerest thanks for your membership and your patience during our remodel efforts.

Yours truly,

A handwritten signature in cursive script that reads 'Monica Grant'.

Monica Grant
