

August 21, 2018

Dear Valued Y Member:

This notice is regarding the SLO facility remodel and important operational impacts. This information will also be on our website at [sloymca.org](http://sloymca.org) and posted in the facility.

The following information is to the best of our knowledge and is subject to change:

- **The parking lot will be closed Monday, August 27<sup>th</sup> - Friday, August 31<sup>st</sup>.**
- This parking lot closure is required in order to install required ADA access to the facility. During this time, members will continue to enter the building from the back entrance, and we will be unable to provide disabled parking spaces. If you require assistance to enter the building, we are happy to help you. Visit the Member Services desk or call (805) 543-8235 and we will make arrangements. Should the project go faster than anticipated, or it is determined that we can provide members with safe access to park in the the parking lot, we will notify you. We truly apologize for this inconvenience.
- The chair lift located in the stairwell is now in working condition. Please ask Member Services to assist you in using the chair.
- Beginning on Friday, August 24th, the downstairs hallway carpet will be replaced with tile. Please be aware that this may affect access in the hallway at times, however it will not impact any classes. We anticipate the tiling to be completed on or before Saturday, September 1<sup>st</sup>.

Our remodel is moving along and is still scheduled for completion this fall. I appreciate all the patience and flexibility that our members and staff have demonstrated during the construction.

If you have not yet taken us up on our offer for a **complimentary personal training session**, you can schedule this at the member service desk the next time you are at the Y. Thank you for your Y membership!

Sincerely,

Monica Grant, CEO
