- I hereby authorize the San Luis Obispo County YMCA to initiate monthly debits to the bank account/credit cards listed on this form. Membership dues are collected 1st of every month (or next business day). If we are unable to debit your account for any reason, we will automatically redraft on the next business day. Should electronic transfer of funds be denied, account holder will be charged a processing fee of \$30.
- Your individual Y membership will automatically be adjusted at these specific ages: 19 and 65 years old. (Teen will auto upgrade to Young Adult, and Adult will upgrade to Senior).

Report any credit cards lost or stolen, expiration date changes and address changes. **Any membership changes including draft date, billing changes and member information changes must be done in writing.** Any changes that increase or reinstate the monthly dues will require a pro-rated fee to be collected at the time of the change.
- When cancelling your YMCA membership you have within 30 days to rejoin without paying the joining fee. The Y reserves the right to cancel/terminate any membership/program if a payment cannot be collected.
- I acknowledge a notice must be provided in writing 30 days notice before a *cancellation or change* is put into effect. Any cancellations not received with 30 days notice will be applied at the 1st of the following month.
- I understand that all membership dues are non-refundable and non-transferable.
- I understand it is my responsibility to check my account for YMCA transactions. I will notify the Y within 30 days of the transaction date of any transaction that appears to be in error. The transaction will be investigated and corrected if necessary.
