Most importantly, the purpose of this program is to prepare your preschooler for kindergarten.

Activities are planned to be fun and engaging as well as educational.

The YMCA Preschool is a place in which each child will be admired and respected for being an individual, and as well as part of our YMCA family.

Students are fully supervised during the program’s entire operating hours.

This handbook has been provided for you as a guide to our policies, procedures, and general program information. Please feel free to contact us regarding any questions and/or concerns you may have.

Goals and Philosophy
It is the philosophy of the Y to provide preschool children with a safe, positive, fun and educational experience. The goal is to improve the physical, mental, and social well-being of each child through quality, creative, values-oriented activities which prepare children for Kindergarten. The program promotes parent involvement, healthy lifestyles and academics. This program provides literacy development, social skills, enrichment activities (art, music, dance, etc.), character development and countless other activities.

What does my child need to bring in order to start school?
Please bring a gallon sized zip locked baggy with a change of clothes (include socks) in case of an accident or spill by their first day of school. Please mark their name clearly on all articles of clothing. Please make sure your registration packet was completed and turned in prior to the first day of school. Financial assistance, if you should need to apply, takes 10 days to process. We provide a morning & afternoon snack daily, if your child is on a special diet you may include their own snack daily that we can serve to them during snack time. Children will also need a healthy lunch to bring with them daily.

How do I register?
For each child, complete the enrollment packet available at the Preschool or download from the YMCA website: sloymca.org then return it to the Preschool Director or to the San Luis Obispo County YMCA. Please see the YMCA Preschool Director at our preschool for more information.

Enrollment Packet
An enrollment packet must be filled out for each child attending the Preschool Program. The form includes important information regarding the child, parent(s), emergency contacts, child’s medical information, Attendance Policy, Parent Agreement Form, Physician’s Health Report, Immunization Record and a Release and Waiver.

Who is supervising my child?
YMCA Staff are chosen for their leadership skills, safety consciousness, responsibility, and caring attitude toward children. All staff have passed background checks, are certified in CPR and First Aid and have all of the required education and qualifications needed to teach at a licensed Preschool. Staff members are employed by the San Luis Obispo County YMCA. Staff will never leave a child unsupervised. A ratio of 1 teacher to 12 students will be held at all times.

Does my child take a nap?
Children who stay full-day (until 4pm) will take a nap from 1:00-3:00pm. Full-day children will need to bring their own nap mat which is taken home every Friday to be washed and returned to school on Monday.

Can my child bring toys to school?
Your child is provided with stimulating activities at preschool and will not need to bring any toys to school, however once a week we have a share time where your child will be permitted to share an item from home that relates to our weekly theme or starts with the letter of the week.

Student Sign Out
As required by Community Care Licensing, Parents must sign children in and out daily with full legal signature and verbally acknowledge to a staff member that their child has arrived and when they are departing.

Who can pick up my child?
Preschool parents or guardians and only those people listed on the registration form are allowed to pick up your child. In an unusual situation when the designated person is unable to pick up your child, we must have advanced written notification from you. Please note that you MUST sign your child out, this allows us to keep your child safe and know their whereabouts at all times.

If the situation calls for that action, you will be our second phone call. In all other non-threatening emergencies we will call you first to either come and assess for yourself or have a conversation with the staff to find out what you think would be the best action for your child.

YMCA Preschool Immunization Policy
Immunizations are required and are one of the most effective ways of preventing the spread of communicable diseases. We require that all children have their immunizations brought up to date prior to enrollment into our program and that the immunizations be kept current thereafter. Please update our files after each subsequent immunization. Parents may submit a personal beliefs exemption (PBE) filed at a prior California child-care facility for missing shots and immunization records with dates for all required shots not exempted. The PBE must have been filed before January 1, 2016 and is only valid until entry to transitional kindergarten/kindergarten.
• Before entering preschool please be prepared to offer an up to date immunization documentation form from your child’s doctor or the health clinic.

Daily Attendance & Absences
Regular attendance is encouraged. Your child will benefit more if he or she attends regularly. If your child will not be attending preschool for a day, please notify the staff in advance or the morning of.

**How much does it cost?**
The cost is printed on the preschool registration form.

**Registration Fee:** Non-refundable. A $25.00 registration fee (per child) is due for all program participants. Registration fees must accompany the enrollment packet.

**Late Payment Fee:** Payment is due prior to the 1\textsuperscript{st} of each month. If a payment is not received by the 1\textsuperscript{st}, you will be issued a pink slip, stating that the day issued is the last day your child is eligible to attend YMCA programs until your account is current. A $20.00 late fee will be added to your account. Uncollected balances more than 90 days past due may be turned over to a collection agency.

**Change in Enrollment Policy:** The San Luis Obispo County YMCA requires a written 14 day change/cancellation notice submitted to the Program Enrollment Team. You will be charged, per your enrollment for those 14 days. There will be a $20.00 processing fee added for any enrollment changes or cancellations made without a 14 day notice. Putting an enrollment “on hold” or a temporary cancellation is considered an enrollment termination. We have included a Change of Enrollment form on the YMCA website: sloymca.org for your convenience. You will be given a 30 day written notice from the YMCA prior to any change in policy or fee schedule. The YMCA reserves the right to terminate childcare services if behavior issues become uncontrollable or problematic, or if our enrollment falls below 10 total students per day.

**NSF Payments:** I understand that if my payment is returned from the bank unpaid, I will be charged a $30.00 fee and my child will not be able to participate in any YMCA Programs until my account has a zero balance.

**Program Fees:** All payments must be made via our automated Electronic Funds Transfer (EFT) system. All payments are non-refundable and non-transferable. You may choose to enroll for an additional day for an additional charge. You must notify Program Enrollment Team for all changes to enrollment. All children must be picked up by the end of their scheduled program time. If you are late, you will be charged $1.00 per minute until you arrive. You may pay this fee upon arrival or have it charged to your account.
**Additional EFT Information:** Your fees will be deducted from your account automatically. Your account will be charged whether your child has attended the YMCA or not. The YMCA is not responsible for errors over 90 days. You must notify the Program Enrollment Team immediately if any of your contact information, bank or credit card information, your phone numbers, home address, or work address has changed.

**Rules and Discipline Policies:**
Participating children will be taught how to follow the rules of the program. Rules will be posted in classrooms. Disruptive or disrespectful behaviors, physical misconduct, *violent infractions, or other unsafe behaviors may be reason for disciplinary action.

**Discipline Policies:**
We encourage you to discuss concerns about your child’s behavior with the Preschool Director. We will work with your child in a positive manner to resolve all discipline matters. Y Staff are trained and are expected to resolve misbehavior problems in a positive manner. Our staff speak with the child, allow him/her to take time out to think about the problem, discuss the problem and solution with the child, then let the child return to the activity. In more severe cases, the child will be kept out of activities and a parent will be asked to pick the child up. Together, parents and Y Staff will work out a custom-designed behavior modification method depending on the severity of the problem. In the event the problems still persist, youth may be suspended or expelled from the program. Our policy is safety first, and our job is to keep all children safe. If at any time a child puts another child’s safety in jeopardy, expulsion is likely to occur.

**Our policies do not grant refunds or credits for missed program days due to a behavior problem.**

We will inform you at the end of the day if there are any discipline concerns that you need to be aware of. We believe communication is the key to your child’s success. We believe in supportive guidance and positive discipline

**Children and parents are expected to:**

- Follow the directions of the Y Staff.
- Avoid negative, abusive, or vulgar words or deeds.
- Avoid physically or verbally abusing (such as hitting, pushing, kicking, biting, name calling, etc.) another child or staff member.
- Follow other established rules.
In the event that a child is not following the rules, they will receive:

- **Verbal Warning** (Johnny please stop throwing the toys. Let’s make good choices when taking care of our toys.)
- **Re-Direction** (Johnny, that’s not how we care for the toy, please choose another center to explore in.)
- **Phone call** to parent to discuss situation/possible parent conference
- **Child Behavior Contract**
- **Suspension**
- **Expulsion**

The order in which these steps are implemented may vary depending on the severity of the behavior.

**The YMCA does not, and will not, administer any corporal punishment.** Some methods of disciplining are: setting an appropriate environment for programming, having a well-planned program, redirecting behavior by giving choices, reflecting children’s successes and accomplishments.

*Continual violent infractions may result in possible expulsion from the Preschool Program. We take biting seriously because of the danger that it puts other participants in.*

**Informal Conferences**
Feel free to inquire at any time about your child. We love to praise your child and we enjoy relating daily experiences.
