

# DONATIONS MAKE A DIFFERENCE

## MY Y STORY

“The YMCA has really helped our family, not just with the values that they have, that they are teaching the kids. But also just being available for working parents.

Both my husband and I work full time, so it has always been very difficult to find child care. The YMCA has always been there early in the mornings and later in the evenings. And especially now the year that we are having- the year of COVID- it was very scary to be seeing what was going to be coming for our kids, and their education, and whether childcare was going to be available or not.

So for them to be at Camp CARE) has been extremely important for our family.”

**\$100**

Supports one child's participation in a Y Youth Sports camps that teaches sports fundamentals and team building.

**\$250**

Helps send underserved, at-risk children to the Y's specialty day camps where they can learn new skills and expand their horizons.

**\$500**

Provides over a month of Camp CARE to a child from a low-income family. This provides a safe, enriching environment for children while schools are virtual.

**\$1000**

Gives a family an entire year membership at our fitness facility and provides childcare for their children while they workout.

**\$1500**

Provides support for an entire team of children to play a youth sport within the Y. From basketball to roller hockey, you can support a team's dreams!

**\$2500**

Will support one child to attend Camp THRIVE, which is a free program for underserved populations that focuses on creating fun learning opportunities and eliminating summer learning loss.
